

Ft. Campbell High School Gate procedures:

All school busses and tag vehicles/equipment vehicles come into gate 7. If you pass Walmart you have gone too far. All coaches and bus drivers need to have a valid ID for the background check at the gate. All students on the bus are under 18 years old and do not need an ID.

All parents can enter into gate 4 or 7 for their visitor passes and background checks. All drivers need a valid driver's license, current registration and proof of vehicle insurance. All passengers over the age of 18 must have a valid ID and/or driver's license to obtain a pass.

The process is not a very fast, so please come earlier to get a visitor pass. Once you have the pass, you can go on post or grab a bite to eat off post and get back onto the installation without stopping.
